I wish Médecins Sans Frontières (MSF) to treat all gifts in the last 4 years, this gift and all future gifts as Gift Aid donations. I am a UK taxpayer and understand that if I pay less Income Tax and/or Capital Gains Tax than the amount of Gift Aid claimed on all my donations in that tax year it is my responsibility to pay any difference.

Respecting you and your data

Your support is vital to our work and we would like to keep you informed with first-hand accounts from our staff and patients about the lifesaving impact your support is having; from combatting epidemics to providing emergency surgery.

We won't allow other organisations to have access to your personal data for marketing purposes and we won't bombard you with appeals.

By supporting MSF, you will receive our quarterly magazine Dispatches, event invites, and occasional emergency appeals with asks for donations by post.

You can change how you hear from MSF UK by emailing uk.fundraising@london.msf.org or calling **020 7404 6600**.

Notes

1. Gift Aid works by allowing charities to reclaim tax on a donation's 'gross' equivalent (its value before tax was deducted) at the basic rate. Basic rate tax is currently 20%, which allows charities to reclaim 25 pence on the pound.
2. Higher rate taxpayers can claim back the difference between basic rate and higher rate tax. If you pay tax at the higher rate, you can claim this further tax relief via your Self Assessment tax return. Donors who complete a Self Assessment tax return will have the option to gift back the higher rate element of the tax relief to MSF. Simply fill in our Charity Code: HAL18QG in box 19a of the Full SA tax return form or section 12 on the Short SA tax return. Donors who do not complete a Self Assessment tax return can call their tax office and have the higher rate relief reflected in their PAYE tax code.
3. If you do not pay UK tax, you should not use Gift Aid.
4. If your circumstances change and you no longer pay enough Income and/or Capital Gains Tax to cover the amount claimed by MSF, you can cancel your declaration by notifying the MSF. Your declaration will then not apply to donations you make on or after the date of cancellation or such later date as you specify.
5. Gift Aid declarations must be made in a single name and require a full residential address.
