**Please be informed that we could ask you to provide a copy of a recommendation letter from your current or previous direct line manager/supervisor after completing the first round of selection.**

### How we will use your information:

*MSF-UK collects your personal data on this form for the sole purpose of administering the Global Health and Humanitarian Medicine Course. The data is processed under Article 6(1)(b) (performance of a contract) of the General Data Protection Regulation. It is shared only with the academic institutions providing the course. If unsuccessful in your application, we will securely retain your data for one calendar year. If successful in your application we will securely retain your data for 5 years following your completion of the course, and after this will retain only basic contact information in order to maintain records of the course. You have a right to object to the processing of your data, and to complain to the Information Commissioner's Office should you feel our processing of your personal data is not compliant with the law. For full details of MSF-UK's Privacy Policy, and how to contact us, please see our website: <https://www.msf.org.uk/msf-uk-privacy-notice>.*

### Part 1: Personal Details

1. First Name

- Line Manager/Head of Mission
- Other

#### **Part 4: Personal Statement**

Your personal statement is the main component of your application. Your answers to the next 8 questions will be used to shortlist your application.

Please take time in answering these questions. Write in full sentences and make sure you answer ALL questions. You have 150 words per question.

1. Please state your motivation to apply for this Course.

Please tell us your particular interest in the field of both Tropical and Humanitarian Medicine and what you have done to demonstrate this interest through your career to date? (E.g., previous work experience, current employment, conference attendance). If any of the above-mentioned work experiences were based in low and middle-income countries (LMICs), please elaborate? (answer between 250-500 words)

2. Do you have any qualifications in the field of tropical/humanitarian medicine? (For example, any trainings, teaching experience, publications you have been involved in, bursaries, prizes, quality improvement.)
  
3. Why did you choose the GHHM course?
  
4. Please describe your expectations from this course.
  
5. The GHHM course is founded on the principle of Blended learning. What do you understand by it, and how will you strike a balance between the requirement of 6-8 hours of weekly self-directed learning for the course and your professional and personal commitment? (answer between 200- 300 words)

6. What do you understand by peer learning and how will you contribute to the course?  
(answer between 150-200 words)

7. Have you ever worked/engaged in projects/ programme/activities in the field of Tropical/Humanitarian Medicine? (if yes, please give details of your experiences)

8. Please tell us your future career plans after completing this course - do you have any concrete plans to use your qualification in the field of tropical/humanitarian medicine?

I acknowledge that the information provided above is true and correct to the best of my knowledge. I understand and agree that if selected, I will be required to pay the required amount of course fee before the deadline and be required to attend at least 70% of the educational activities to complete the program.

Yes, I understand and agree that I will meet all the necessary course requirements.

No
